## Secrets of Porto with Cruise and visit to Port wine Cellars

Secrets of Porto is a charming walking tour, a visit to the most emblematic places of Porto with a cruise on the beautiful Douro River and a visit to the unique Port wine cellars.

It's a rich and multifaceted experience, expressed in a loaded and diverse cultural heritage, classified as World Heritage Site by UNESCO. During this tour you will feel like a local the unique Clérigos Tower, the outstanding Lellos Bookshop, the city smells and flavors at the beautiful Bolhão and have a couple of coffee in the fashionable Majestic Café where JK Rolling use to write Harry Potter books and discover squares and streets that do not come in city guides that only locals go.

At the end you can appreciate the landscape of the city form a boat in Douro River in a cruise, understand all the Porto wine process in a visit to the Port wine cellars and taste the unique Port wine.

Porto is glamorous and charming and no matter how many times you visit the city, you will always find something new to discover.
